The Giving Station of 24th Street - 5 Ways to Give

Grateful Heart Gifts

Long before membership dues kicked in, 24th Street Club was established by generous gifts from its' founding members. Like those initial gifts, Grateful Heart Gifts to 24th Street are unrestricted and are used for the club's most pressing needs. We invite anyone visiting the 24th Street website or clubhouse to express their gratitude for recovery with a gift to the club. Any amount is cherished and welcomed, whether a one-time donation or recurring gift.

In Memoriam

We are grateful to the men and women on whose shoulders we stand, the AA/Al-Anon elders and sponsors that have passed on. Is there someone you would like to honor with a donation? These funds, like Grateful Heart Gifts, go to the general fund and are used where they do the most good. In addition, we add the honoree's name to the "In Memory of" display in the Club lobby. There is a \$100 minimum per honoree and no limit on how many you can honor.

Scholarship Fund

The 24th Street Scholarship Fund was established to assist individuals in recovery (AA & Al-Anon) who want to participate in club membership and activities but cannot afford the dues at this time. "The Fund" is available to individuals that qualify for membership as outlined in the existing Bylaws of 24th Street. A member in good standing may recommend a recipient for consideration to the Board's Scholarship Review Committee. After review and acceptance, the Fund will be used on behalf of the recipient.

Member to Member Sponsorship

A member of 24th Street can always pay club dues for a new member. This idea has been used very successfully to provide a safe and sober place for newcomers. We encourage newcomers to change their playmates and playgrounds. Providing a newcomer with a safe place to hang out among sober peers may be just what they need to break the cycle and be successful in their recovery. Member sponsorships have been very helpful to the new prospect and lead to long-term support for 24th Street.

Sponsor an Activity

We are not a glum lot! The 24th Street Club hosts a variety of fun activities that promote fellowship and recovery. Members can help ensure these activities are self-sustaining by contributing directly to help sponsor a specific event or directly to the Activities Committee operations budget.

PLEASE FOLLOW DIRECTIONS ON PAGE 2 TO MAKE A DONATION NOW

The Giving Station of 24th Street - 5 Ways to Give
