President's COVID-19 Update #3

March 20, 2020

Dear Fellow Club Members:

We are faced with the unfortunate decision to close the Club for now. Our local government has asked that all meetings cease. We will reopen the Clubhouse doors when possible.

The building will be locked at the normal time this evening and alarmed to avoid potential vandalism.

Fortunately there are many online meetings available and those are being posted on the District 16B A.A. website at www.athensaa.org.

Please call me if you have questions. You may also express your concerns, suggestions or ask questions online at www.24thstreetathens.com.

Love you all,

Bill
